AL FINE DI CONSENTIRE UNA OTTIMALE MANUTENZIONE E CONSERVAZIONE DEL PRODOTTO, RIPORTIAMO QUI DI SEGUITO ALCUNE UTILI INDICAZIONI.

TO ALLOW AN OPTIMAL MAINTENANCE AND STORAGE OF THE PRODUCT, HERE BELOW SOME USEFUL INFORMATION.

PULIZIA DI SUPERFICI IN GENERE

Utilizzare un panno morbido (eventualmente inumidito).
Si raccomanda di non usare per nessuno motivo prodotti abrasivi, solventi, diluenti, alcool o prodotti corrosivi.
Non lasciare panni bagnati a contatto le superfici.

SURFACE CLEANING IN GENERAL

Use a soft cloth (possibly dampened). It is recommended not to use abrasive products, solvents, thinners, alcohol or corrosive products for any reason. Do not leave wet cloth in contact with the surfaces.

VARIAZIONI DI TONALITÀ E COLORE

L'uniformità cromatica dei colori laccati e degli impiallacciati può variare nel tempo quindi, in caso di completamenti, una eventuale differenza di tonalità non costituisce motivo di contestazione. È consigliabile inoltre posizionare i mobili lontano da forti fonti di calore e dalla luce solare diretta.

VARIATIONS OF TONE AND COLORS

The color uniformity of lacquered and veneers may vary over time so, if completed, a possible difference in shades does not constitute grounds for controversy. It is also advisable to place the furniture away from strong heat sources and from direct sunlight.

PULIZIA DEI VETRI

Utilizzare un panno morbido con detergente per vetri.
Si raccomanda di non usare per nessun motivo prodotti abrasivi, solventi, diluenti, alcool o prodotti corrosivi.

GLASSES CLEANING

Use a soft cloth with glass cleaner. It is recommended not to use abrasive products, solvents, thinners, alcohol or corrosive products for any reason.

ATTREZZATURE ELETTRICHE INTERNE

Sono tutti forniti con marcatura "CE" che ne attesta la conformità alle direttive CEE (CEE 72/23, CEE 89/336), di marcatura "ETL" (Electrical Testing Laboratories) certificazione necessaria per i prodotti commercializzati su territorio nord americano, indicatore di conformità del prodotto alla stretta normativa di sicurezza vigente sul territorio.
Inoltre risultano conformi alle normative CEI in materia di sicurezza elettrica (CEI 34-21 e EN 60598.1).

INTERNAL ELECTRICAL EQUIPMENT

All are provided with "CE" marking that conforms to the EEC (EEC 72/23, EEC 89/336), "ETL" (Electrical Testing Laboratories) certification required for products marketed in North America, indicator of product conformity to the strict safety regulations in force on the territory. They also comply with CEI regulations on electrical safety (CEI 34-21 and EN 60598.1).
