DIMENSIONI | DIMENSIONS

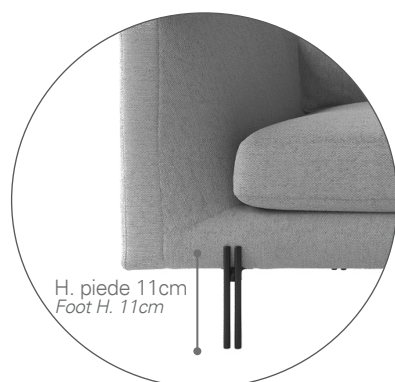

SPECIFICHE TECNICHE | TECHNICAL DATA

STRUTTURA | STRUCTURE

Il divano è dotato di una scocca imbottita con poliuretano espanso a densità 35 a cellula aperta e ovatta di poliestere. Specifiche tecniche includono gomma per la seduta 35 S CONFORT SIP e spalla 25 EP. Il fusto è realizzato interamente in truciolare, con il bracciolo in masonite.

The sofa features a padded shell with open-cell polyurethane foam of density 35 and polyester wadding. Technical specifications include 35 S CONFORT SIP foam for the seat and 25 EP foam for the backrest. The frame is made entirely of particle board, with the arms crafted from masonite.

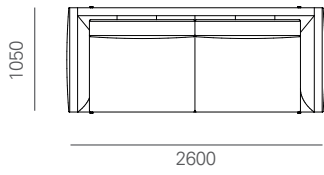

BASAMENTO E PIEDINI | BASE AND FEET

Caratterizzato da linee essenziali e ricercate, l'intera struttura è sorretta da un elegante ed esile piede in metallo che conferisce slancio al design. Completamente a vista, il piede in metallo è disponibile in varie colorazioni, anche ottone, nickel, cromo, nero opaco. Altezza del piede: 11cm.

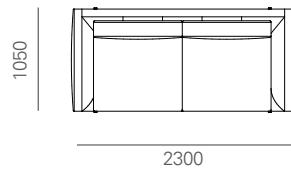

Characterized by essential and refined lines, the entire structure is supported by an elegant and slender metal foot that lends momentum to the design. Fully exposed, the metal foot is available in various colors, including brass, nickel, chrome, matte black. Foot height: 11cm
