CARATTERISTICHE TECNICHE | TECHNICAL CHARACTERISTICS

① TOP OPZIONALE SUPERIORE – SP. 6 MM/14MM  
UPPER OPTIONAL TOP - THK. 6 MM/14MM

Il top aggiuntivo di finitura è elemento opzionale. Inserito all'interno del vassoio superiore completa la madia attribuendole un design più ricercato ed un dettaglio di qualità.

*The additional finishing top is an optional element. Put inside the upper tray, it completes the sideboard, giving to it a more refined design and a quality detail.*

② CASSA INTERNA – SP. 22 MM  
INTERNAL CASE - SP. 22 MM

Cassa strutturale caratterizzata da fondo, schiene, tramezzi e cappelli. I ripiani interni in vetro, suddividono gli spazi.

*Structural case characterized by bottom and top shelves, back panels and partitions. The shrinkage top shelves in relation to the upper refined top (110 mm) are a support for this last one as well as a structural support for the general stability of the sideboard. The internal glass shelves divide the spaces.*

③ SCHIENA ESTERNA – SP. 14 MM  
EXTERNAL CASING BACK - SP. 14 MM

La madia Gold è sempre retrofinita e presenta un pannello di finitura, applicato alle schiene interne, che completa l'involucro esterno della madia e chiude sul retro il vassoio superiore.

*The Gold sideboard is always retro-finished and features a finishing panel applied to the inner backs, completing the outer casing of the sideboard and closing the top tray at the back.*

④ FIANCO ESTERNO – SP. 40 MM  
EXTERNAL SIDE - SP. 40 MM

Fianco esterno strutturale con forma trapezoidale realizzato su base Mdf con bisellature realizzate in corrispondenza degli spigoli. Il fianco collabora con i frontali e la schiena nel dar forma al vassoio superiore.

*Structural external side with trapezoidal shape made on an MDF base with bevels made in correspondence of the edges lines. The side works with the doors and the back panel to allow the sideboard to create the upper tray.*

⑤ FRONTALI BATTENTI/CASSETTO - SP. 14 MM  
HINGED DOORS/DRAWERS - THK. 14MM

Frontali per ante battenti e cassetti realizzati su base Mdf e dotati di bisellature a passo variabile. Le ante battenti ed il cassetto alto presentano presa superiore utile all'apertura, mentre il cassetto in basso è gestito con meccanismo push pull.

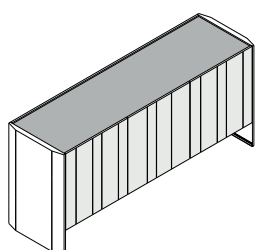

*Hinged doors and drawers made on the MDF base and with variable pitch bevels. The hinged doors and the upper drawer have an upper grip useful to open them, while the lower drawer has always push pull system.*
